

## Engi-Mat Unveils New Corporate Logo

**LEXINGTON, Kentucky, March 1, 2019** – Engi-Mat Co. is pleased to publish its new corporate logo, as shown below.

On January 1<sup>st</sup>, 2019, the company officially changed its name from nGimat to Engi-Mat, and the new logo reflects this change. The new logo – which maintains the color scheme and general “look and feel” of the earlier logo – is intended to convey the consistency of the company’s efforts during its long history of technical innovation. Engi-Mat remains focused on the application of its expertise in nanotechnology and materials science to solve its customers’ most difficult challenges.
